

Idea 1

believe me

It's a game that two people cooperate with each other.

1.Wear clothes with sensors.

2.The two men embraced each other.

3.**A**'s no. 1 sensor shakes, and **A** quickly transmits the number to B

4.**B** triggers A's no. 1 sensor, and the game moves on to the next step

Idea 2

color speaker

music-color

1.Paste the circles with different colors on the base.

2.Use color sensors to identify colors.

3.Play the corresponding song.
